INFORMATION

Roberts® THE GENERAL® features an extra-wide 127mm head, four nap grip strips and five rows of steel pins to manoeuvre carpet with ease and precision. The bumper features gel-core technology to better absorb shock and protect installer's knees from impact. Handle telescopes from 445mm to 546mm with the press of a button, and chequered, non-slip grip improves stability. The die-cast aluminium body is lightweight and durable for easy, reliable use.
