Roberts® 330mm Multi Floor Cutter is designed to easily cut several materials up to 33cm wide, making flooring installations faster. The extended handle and cam mechanism provide additional leverage for even pressure and smooth cutting. The included mitre guide helps make 0 to 45-degree angle cuts. The Multi Floor cuts laminate and engineered wood flooring, LVP, LVT, SPC, WPC flooring, VCT, MDF, soft plastic, vinyl siding and fibre cement siding.
